SUMMARY

Hello! I am Sid Tatavarthi, a motivated and ambitious 16-year-old with a strong interest in entrepreneurship, technology, and design. With experience in launching my own streetwear brand and engaging in various leadership and collaborative projects, I have developed a keen ability to think critically, adapt to new challenges, and execute innovative ideas. I am continually expanding my knowledge and skills to create meaningful impact, both in the creative space and beyond. I am driven by a desire to lead with purpose and contribute to solutions that inspire and deliver results.
